## Front End Housings with Poly Bushings

### Good

The **536B** Housing is for  
swivel drawbar eyes with a 2" shaft.  
The poly bushings reduce impact for  
a smoother ride.

**536B**

### Better

For 2 1/4" shaft swivel drawbar eyes  
we have the **536BK** Housing.  
This model also has poly bushings.

**536BK**

### Best

Our new **307BK** is  
the Heavy-Hitting Bomb!

It is the union of the 307K Drawbar Eye  
with our custom-designed 956BK Housing,  
*Patent #9,441,696.*

It is integrated with industry-first polymer  
washers and custom poly bushings.

When only the best will do!
